**Gunner's Achievements:** Gunner was my first weimaraner and not only introduced me to this remarkable breed but over the years has allowed me the honor to be his partner in many adventures. The first time a friend of mine asked 'is he birdy?' I had no clue, but when I set him loose in the field and rounded a corner, there he was, on solid point. From that day forward, I was hooked. I may have been a novice, but Gunner has always been willing to forgive my mistakes. With a little advice along the way, Gunner has been owner-trained and handled to all his field titles. Gunner is a dog with incredible drive, determined attitude, and willingness to please, even in the most difficult circumstances.
