## **DUAL WEIMANANER PROGRAM APPLICATION FORM**

Please fill out the following form in its entirety and email the completed form to eslamberson@msn.com. In addition, attach 4- to 5 photos in JPG format, a 3 to 5 generation pedigree in JPG or PDF format, and a copy of field certificates in a PDF or JPG format.

The COI value can be calculated using the website - www.weimaranerpedigrees.com; use kennel name to search for dog; go to show doginfo; go to Inbred % to calculate COI (i.e., coefficient of relationship). We can also calculate the COI for you - just leave it blank.

Note - To ensure that your application is not delayed, please check that your photos and pedigree total less than 5M before sending in an email.
