Oscar's Achievements: All of Oscar's titles/accomplishments have been breeder/owner trained and handled, and many of those have also been "firsts" for me as trainer/handler. Oscar is my first homebred Champion, the first dog I've ever done Rally with, and my first Master Hunter. He is 3rd generation SH, and his grandmother was the breed's first CH/MH bitch. Apparent from an early age, the single best word that describes Oscar is "Biddable". Oscar likes to work, he likes to please me, and he is a joy to train because everything we have tried so far has been relatively easy with him. He would have more titles if I had more time and fewer dogs. I wish I could turn back the clock a few years to try some more activities with him. He has an enthusiastic, friendly, "can-do" attitude, gets along with other intact males, is naturally staunch on point, loves water, and has an extremely strong natural retrieve drive.
